

# Your course outline

by El Regalo Effective Training Video School

## In this course you will learn

->how to internalize the correct structures so that they come out automatically

It will help you if you currently feel that you

->don't progress enough  
-> speak with the same words  
->translate directly in your head  
->build wrong sentences  
->are stuck in the eternal Intermediate level

After completing this course you will be able to

->provide fast and automated answers  
-> speak better and with confidence  
->use phrasal verbs when speaking  
-> considerably expand your vocabulary  
->translate concepts, not words  
->use the correct words with ease  
->avoid false friends & common mistakes  
->build proper sentences

## REMOVING COMMON MISTAKES

LEVELS: B1, B2, C1

## FOCUS ON: CONCEPTUAL TRANSLATION

- Removing Word by Word Direct Translations
- Working on the Word Order in Sentences
- Introducing "native's speaker" vocabulary
- #Course3

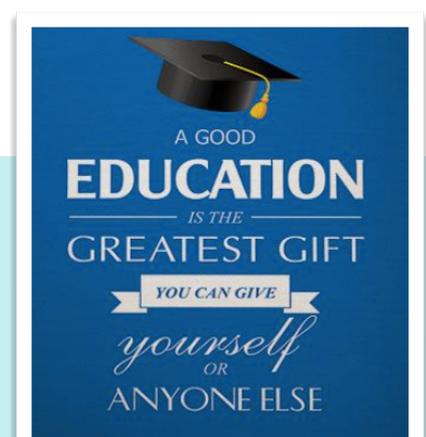

## Course in figures:

50 hours = 8 modules = 16 weeks

1 module = 8 lessons x 45 minutes = 6hours = 2 weeks

4 types of tutor sessions, more than 3700 students enrolled

100% final result
